Aluminum automatic Pergola From <http://www.onew-metal.com/>

## Aluminum automatic Pergola

### Adjustable Aluminum Pergola and Louver

Adjustable Louvered Roof The ability to control sun and rain is now available for your outdoor living space.

In the event of rain, the louvers will close and interlock, providing shelter from the rain. An integrated gutter system move rain water from the roof when closed.

Now you can have Sun, Shade or Shelter with the touch of a button!

Our aluminium Louver can be anodised or powder coated to suit your application. Aluminium louvres can be supplied flat packed, ready for assembly or assembled into panels for easy installation.

Aluminium Louver not only protect the building from the elements, but also act as energy savers, architectural features and are ideal for building refurbishments.

Please contact Onew Metal for more information about this incredibly versatile product.
